The text of the letter *should read*

In preparation for the special session of the General Assembly on children, the Governments of Bosnia and Herzegovina and Germany hosted a regional conference which took place in Berlin from 16 to 18 May 2001. I have the honour to bring to your attention the report of the Conference on Children in Europe and Central Asia. It contains the Berlin Commitment for Children of Europe and Central Asia, which was adopted by the 52 participating countries, and the substantive outcome of the six working groups that met within the framework of the Conference.

I should be grateful if you would have the present letter and the report of the Berlin Conference (see annex) circulated as a document of the Preparatory Committee for the Special Session of the General Assembly on Children at its third substantive session.
